

SURREY COUNTY ATHLETIC NEWS

(Issue 60 - August 2009)

I am sure you will all be delighted to learn that Surrey have finally been confirmed as the winners of the Achilles men's team trophy at the UK Inter-Counties Championships at Bedford in May. Initially, Surrey were placed fifth behind winners Essex but after much badgering from our senior men's team manager Geoff Platt, who pointed out nine points had been omitted from our score, the CAU finally agreed Surrey had won by just one point from the defending champions Essex. It was Surrey's first win in the men's competition since 2001. Meanwhile, the women just failed to hang onto the Bedford Shield they won last year and had to settle for runners-up spot.

These are two excellent team efforts and congratulations must go to the team members and team managers Geoff and Paul Eales.

Surrey's athletics strength was confirmed by the county's performance in the English Schools Championships at Sheffield where Surrey won the overall trophy against stiff opposition, took the intermediate girls and junior boys team trophies and came away with a bumper 20 medals - this was felt by many to have been Surrey's best-ever performance in the English schools championships and congratulations must go to the Surrey Schools AA for their tremendous achievement.

I was greatly honoured to be elected Surrey president and my first pleasant experience was to attend the national sportshall finals in Birmingham at the end of March where Surrey fielded three teams in the four contests. We won the boys under 15 title for the first time and also finished third in the girls under 15 competition. Surrey had never provided the all-rounder award in the 19 years of the competition but this year our youngsters excelled with Funto Fabunmi-Alade and Blade Ashby taking the girls and boys titles. Again, well done to all the athletes involved as well as the team managers at Birmingham, Steve Knight, Gillian Libretto and Steve Bosley.

The annual track and field championships held across two brilliantly sunny days at Kingsmeadow in May were encouraging with a slightly increased entry this year.

Surrey once again promoted the under 13 inter-county match at Kingsmeadow in July with 14 counties taking part. Surrey retained the girls title and finished third in the boys event. Another good day for the county thanks to our youngsters and team managers Marilyn Parsons and Trevor Raggett.

It is evident that athletics in Surrey is in a strong state thanks to the tremendous work being done by a host of volunteers at both club and county level. May it continue.

Best wishes to you all

Tom Pollak

President 2009/2010

KEN CAULDER 1933 - 2009

Caulder, who was 76, belonged to the former Surrey Athletic Club, the men's side of which was subsumed by Belgrave Harriers in 1982.

While he also competed on the road and in track events, Caulder's main strength was as a cross country runner and in 1954 he won the English junior title at Birkenhead with his Surrey AC team-mate Tony Barrett finishing runner-up 12 seconds behind. The same year, he finished runner-up in the Southern junior cross country championship.

The previous year, he won the Surrey junior title and in 1957 took the county senior title on Wimbledon Common. He was runner-up in both 1956 and 1958.

He twice ran for England in the international cross country championships in 1955 and 1958 finishing 20th and 27th, respectively. He also won the South of the Thames Junior cross country title at Caterham in 1953, leading the Surrey AC team to second place.

At the end of his athletics career, Caulder took up bowls and, at different times, he was a member of different clubs, belonging to the Great Bookham and Mole Valley club at the time of his death. In his working life, he trained as a carpenter and joiner and set up his own building and carpentry firm which was based in Tolworth, Stoneleigh, Epsom and Great Bookham at different times.

Caulder had three sons, one of whom, Richard, is a member of Epsom and Ewell Harriers and has run five marathons. Tragedy struck the family last year when his eldest son was killed in a motorcycle accident. Barrett and other members of the former Surrey Athletic Club including past president Doris Dean were among those who attended his funeral at Kingston Crematorium. Among the wreaths was a cushion of flowers in the blue, white and black colours of the former Surrey Athletic Club. One of Surrey and England's top cross country runners from half-a-century ago, Ken Caulder, has died.

SURREY ATHLETES AT INTERNATIONAL MEETINGS

Surrey has been well represented at this year's international championships.

Harry Aikines-Aryeetey was a clear winner of the European U23 100 metres title. He adds this title to his World Junior 100m title in 2006 and World Youth 100m & 200m titles in 2005. Jade Nicholls achieved her European U23 bronze with a personal best throw in the final round.

Adelle Tracey's silver medal and Laura Burke's sixth place in the European Youth Olympics demonstrates our strength in the U17 Women's age group. This was further confirmed at the English Schools Championships where 5 Surrey girls in this age group won individual titles.

BRUCE JUDD CROSS COUNTRY RELAYS

Don Turner informs us that Steve Holt, Sutton & District AC, has volunteered to organise this event which will take place on 3rd October 2009.

FROM THE ARCHIVES

In the previous edition of SCAN we reported that complete County Track & Field results going back to 1980 would be available on the website. This is well under way and should be complete by the end of the year.

Thanks to the efforts of Don Turner we have, in recent weeks, been able to add complete results for the County Cross Country Championships back to 1990 with more to follow.

On the following two pages are some items extracted from the June 1959 edition of the original SCAN. The photograph, taken from the front page, shows our current Secretary, Don Turner, taking part in the Surrey Twenty.

UP (2), WITH R. LINSTEAD (39), D. TURNER (24), & B. SHAVE (46)

SURREY 20, BANSTEAD MAY 2, 1959

In his first ever twenty mile race Bill Roath of Walton ran right away at the start for a first-lap time of 36min.3sec. for the six and two-thirds mile circuit. Behind him in a time of 36min.47sec. came a group consisting of Ken Honney, Colin Collis, Bill Pawsey, Brian Shave, and Ron Linstead, with Eric Richardson and George Winchester a further eighty yards back.

Most of them went faster the next time round but they didn't see Roath's back again, for he piled the pace on with a time of 35min.26sec. followed by another in 36min. 19sec. to return a fast 1hr.47min. 48sec. The course which included a number of small hills with quite a climb at the end of the lap, had been carefully checked on foot by the Meeting Secretary, Jim Evans, and Tom Reynolds using Surrey Walking Clubs measuring wheel. Roath's performance caught out the Inter-County team selectors who hadn't entered him - it would be very difficult to find a faster time at the first attempt. To show the quality of the winner's run, Ken Honney came in three minutes later followed by Colin Collis, the only one able to prevent a clean sweep by

Walton; in fifth place Eric Richardson was too late for a team medal, while in eighteenth place an old gentleman gained a National Standard Grade II to go with his 1948 Olympic silver medal for the Marathon.

MARY HALL, Hercules A.C.

Mary leapt into athletic prominence in 1958, her second Junior year, when she became the All-England Schools 150 yards champion; in the previous year she had won her District and the London championship but had not appeared in the All-England final. However she quickly

demonstrated her improvement after a winter of hard training, and in May last year ran 17.1s. for 150 yards,an improvement of .7 s. on 1957. In the same month she won the County sprint titles and was then 4th and 5th in the Southern and National 100yds. Here she was unlucky in that up to then these meetings did not include the longer sprint, a position now remedied.

Again winning the London Schools Championship in 1958 Mary went to Durham to bring back the Junior title in a record equalling 17.4, the same time as that returned by the Intermediate winner. With a best time of 11.6s. she was chosen to represent London Schools in Frankfurt and won the 100 metres in 12.5s. At the Junior Inter-County she won the 150 yards but was second in the 100 yards and it seemed that the longer sprint would become her best event. Although she has clocked 11.3 this season, she is training for the furlong and has as her target the W.A.A.A. Intermediate event in a time under 26 seconds.
