(Issue 67 - May 2011)

## ***SURREY COUNTY AA AGM***

Surrey County AA held its AGM recently and elected Anne Roden as its President for the current year.

Below is a part of the introduction made by our Chairman, Tom Pollak:-

*Anne was among the thousands of people who came into athletics in this country in the road running boom of the 1980's. Although a competent korfbal and netball player she wanted to take part in the London marathon and took part in her first marathon in the capital in 1983, two years after it was founded. She completed a total of five London races. She has a best marathon time of two hours 37 minutes 56 seconds set in the Boston marathon in 1992. She returned to Boston in 2000 when she set a UK women's over 50 veterans age record of 2 hours 54 minutes 21 seconds and that was the last time she ran over the 26 miles 385 yards marathon distance. She continued to run until four years ago when she was forced to call a halt to her competitive days due to hip problems. Since 2000 she has enthusiastically applied herself to coaching and helping out at her club, South London Harriers, in various capacities she has been young athletes team manager for several seasons. She freely admits she's involved in athletics seven days a week. Her twin brother Tom was a top ultra distance runner and also a member of South London Harriers who won a 24 hour race at Crystal Palace in October 1977.*

Congratulations to Danielle Christmas (Crawley AC) who set a County Record for the Womens Indoor 800m of 2:04.39. This was set at Birmingham on 19 February 2011 and beat the previous record of 2:04.71 set by Shireen Bailey in 1990.

## ***2010 SURREY TRACK & FIELD CHAMPIONSHIPS***

200 extra copies of this issue of SCAN are being distributed to the early arrivals at our championships. We are looking forward to some outstanding performances from our athletes and many will be attempting to spot the stars of the future. On the next 2 pages I show the county champions from 50 years ago. Times have changed! It is interesting to note how few of the clubs named still exist today. Also, back then, the men held 220 yards & 200 yards hurdles events that have no equivalent in today's programme. We also used to hold relays in our championships but these have disappeared largely through a lack of support by the clubs.

Kamor Agbo-Ola (10.2), Herne Hill Harriers, wearing Number 2, makes a supreme effort to capture the County Sprint Title. Against a well placed back cloth of St George's College boys, Peter Cornell (10.2) of Hercules AC just gets the judges' decision. In the outside lane international sprinter, Adrian Breacker (10.2), the holder, loses his title through shortage of races. Fourth is Ken Fuller (10.3) of Croydon Harriers. Cornell went on to complete the double by winning the furlong.

*Editor.* The number of Championship Best Performances by both the Men and the Women suggests that 1961 was a vintage year.
