

SURREY COUNTY ATHLETIC NEWS

(Issue 68 - mid-September 2011)

The 2011 Track & Field season has seen mixed fortunes for Surrey teams. There has been disappointing turnouts for some whilst others have seen an excellent level of support by our athletes; most notably the Under 20 Women, the Under 15 Boys and the Under 13 Girls. The County Association wishes to record its thanks to all our Team Managers for their efforts under difficult circumstances.

We have watched with interest the success of our younger athletes on the International stage (see Page 19). Although many will be too young to feature at London 2012 we can be confident of having Surrey athletes to follow at Rio de Janeiro 2016. The table below shows the continuing rise in standards at the elite level.

LOST - CAN YOU HELP?

Surrey Field Judge, John Godfrey, has recently lost his judging spike. This distinctive implement is made of solid brass, is approximately 18 inches long and has 'F Read' engraved in the handle. It was formerly the possession of Frank Read, a renowned international Field Judge from Surrey, who gave it to John when he retired from officiating. Therefore it is of great sentimental value to John. If you have any information that would help John to recover it this would be greatly appreciated.
