(Issue 75 - February 2014)

A Message from our Presidents

As our Presidency draws to an end we have enjoyed the honour given to us and wish to thank everyone for the kindness shown to us over the last two years.

It has been a great privilege to attend the many events and witness the determination, the very good, and several outstanding, performances by Surrey Athletes.

We also wish to thank all the Counties Administrators, Officials, Team Managers and Helpers for the tremendous help and support they give to our Clubs and County Teams

As we shortly hand over to a new President we do so in the knowledge that Surrey County Athletics is in safe hands and very good shape.

With all good wishes for the future

Patricia and Michael Cole

SIR CHRIS CHATAWAY 1931 - 2014

Chris Chataway died on 19th January, aged 82, after suffering from cancer for two and a half years. There has been many accounts of his illustrious career as an international athlete and world record holder in the national media. What is less well known is his career as a Surrey athlete during the late 1940s and early 1950s as a member of Walton AC. His name first appears in the Surrey archives in 1949 when he finished third in the County Junior Men's 880 yards final. This was followed by another third place in 1950 this time in the County Junior Cross-Country Championship. He won the County Senior Mile Championship in 1950 in 4:21.6. In 1952 he won the CAU Inter-County One Mile title in 4:13.8.

He is well known for his part in the race that saw Roger Bannister become the first man to break the four-minute mile barrier in 1954. Then in 1955 he became the fourth man to break 4 minutes when he finished second at the British Games with a time of 3:59.8. The Walton AC website reports him being in their team that participated in the London to Brighton relay in April 1950 which also included another who had made his mark in British history, Alan Turing. In his later years he ran for Achilles Club and Thames Hare & Hounds.

STAN ALLEN 1934 - 2014

Stan Allen died, aged 79, on 1st January 2014 at St George's Hospital, Tooting following a long period of illness. He was a stalwart of Herne Hill Harriers and regularly contested the Surrey Championships from the 1950s through to the 1980s. HHH turned-out 164 runners in the Surrey League on 11th January to celebrate the club's 125th anniversary and to pay tribute to Stan.

ENGLAND ATHLETICS ANNUAL AWARDS

NATIONAL, 19TH OCTOBER 2013

We applaud the recognition given to Gordon Pirie by his induction into the EA Hall of Fame. We also congratulate Peter Shilling who received the Official of the Year Award. Through his work with Surrey Schools AA Peter will be well known to many Surrey athletes and officials.

LONDON REGION, 4TH DECEMBER 2013

We congratulate the following who received awards:-

Peter Shilling - Official of the Year;

Matt Keirnan - Young Volunteer of the Year;

James McDonald - Development Coach of the Year;

South West London Athletics Network (SWLAN) - Network of the Year;

Anne Davidson (leader of Sutton Blind and visually impaired runners) - Run England Leader of the Year;

Sutton Blind and visually impaired runners - Run England Project of the Year.

OFFICIALS

We will be repeating the SCAA officials social event that was much enjoyed by the fifty or so officials who attended the function last March. The 2014 event will be on the evening of Friday, 28th March, again at the Old Wimbledonians' Clubhouse. We expect that the cost will be similar to last year's, and are delighted that Jenny Archer, coach to David Weir, has agreed to be our guest speaker. Please "save the day" – further details will be sent and posted on the website next month.

The South of England Athletics Officials Association (SEAOA) will as usual be holding their annual conference at St Mary's University College, Twickenham on Sunday 2nd February. As before, this is also open to non-members of the SEAOA, and offers the chance to attend workshops and to network with other officials – both especially valuable to new officials. The cost is modest, £3 (or £10 including what is always a very tasty lunch): see details at <http://www.seaoa.co.uk/seaoa-info/conference> . We are almost up to the closing date, but I suspect that mainly applies to the lunch booking, so there is still time to register.

I will be updating the Surrey List of Technical & Ancillary Officials, using data on the UKA officials' database ("Trinity") as at the beginning of March. As you may know from the March 2013 booklet, the level of information about each official given there is dependant on what each official has agreed. In the absence of any information to the contrary, only the official's name is shown. I will be contacting all officials individually again, and ask that you respond to that communication: if officials who were in last year's booklet do not respond, the level of detail disclosed will be the same as for 2013. Again, only UKA Licensed Officials will be included in the Technical Officials list: see comments below re DBS.

Please remember that if you are renewing your CRB (now called DBS), you will need to send the certificate that you receive from the Disclosure and Barring Service to UKA at Athletics Welfare PO Box 332, Sale, Manchester M33 6XL, as UKA no longer get sent a copy directly and your licence cannot be renewed until they have sight of it. It is probably a good idea to take and retain a copy in case the original gets lost in the post.

REVISED THROWING IMPLEMENTS FOR 2014

UKA has announced revised specifications for Under-15 Girls and Under-17 Women throwing implements which take effect from 1st April 2014. Enclosed with this edition of SCAN are the new details plus a list of UKA-approved suppliers.

IN THE MEDIA

2013 TRACK & FIELD SEASON

Enclosed with this edition of SCAN is an analysis, based upon the Surrey Ranking Lists, of the performances by Surrey athletes in the Under-13 and Under-15 age groups. An analysis showing the Under-13s, Under-15s and Under-17s for the years 2005 - 2013 is available on the county website via a link at the bottom of the Home Page.

The tabulations show a significant rise in the number of athletes achieving a Surrey Standard during 2013 for the Under-13 age groups in most events. There was an improvement in the numbers for the Under-15s as well, but less pronounced than in the Under-13s. With the Under-17s the Men's figures are similar to 2012 whereas the Women's figures show a decline. Are the reduced competitive opportunities for U17s in the new UK Youth Development League a factor here?

There are no surprises regarding the clubs scoring the most points. However, significant improvements were shown by Aldershot, Farnham & District (U13B/U15B), Kingston AC & Polytechnic Harriers (U15B), Walton AC (U13G/U15B/U15G). As in previous years Guildford & Godalming AC are the leading club for female athletes although Herne Hill Harriers took the top spot in the Under-15 Girls for the first time.
