Cash Award for Community Coaches

Surrey's sporting community is celebrating after £114,000 was recently awarded by the DCMS with another £1/2 million set to follow!

It is the first award for Surrey as part of the national Community Sports Coach Scheme which aims to part-finance 3,000 paid, professional coaches (throughout England), working locally to increase the number and range of high quality coaching opportunities available, mostly for young people. The Scheme will also help enhance the recognition of coaching as a profession, with accredited qualifications and a real career-development structure. Over the next 18 months the Scheme will help to establish around 60 new full- and part-time coaching posts in Surrey that could deliver an additional 30,000 hours of high quality sports coaching a year!

Extracted from Spring 2005 Issue of Surrey Sports Partnership's *Inside track* publication.

Contact Sarah-Jane Sykes (01483 518963) for further details on Athletics involvement in the Scheme.
