

SURREY COUNTY ATHLETIC NEWS

(Issue 48 - August 2006)

BRUCE JUDD

A service of thanksgiving for Bruce Judd was held at St Nicolas Parish Church, Cranleigh on 5 June 2006. It was attended by family and friends including colleagues on the Surrey County Committee and contemporaries of Bruce from Walton AC. An address was given by Derek Crookes and the following is based upon that and the remarks made by the Rector, the Rev'd Canon Nigel Nicholson.

Those of us in the Athletics community knew of his activities in and around the sport but we learnt how he and Eileen had been very involved in the local community. Bruce was a member of the local Robbie Burns Society and became very involved with the schemes to help orphans in Romania.

Bruce's active athletic career was with Walton AC where he achieved a high standard in Road, Cross Country and Track over the middle and long distances. The main focus for the club over the winter months were the Southern Area 12-stage relay, the London to Brighton in October and the National event (also London to Brighton) in March. Bruce was, at various times, Captain and Team Manager of the Walton teams which held their own with the best in these events. This obviously meant a lot of administration by Bruce as well as competing. Bruce ran well on the track in races with the likes of Gordon Pirie, Peter Driver and Chris Chattaway.

At the time when Bruce was running his training and competition had to be fitted around a working week where Saturday working, at least half a day, but some times a full day, was the norm. He was an engineer with Cooper (the world-famous motor racing marque) in Surbiton. The story was told where Bruce received an invitation for a race at Chiswick on a Saturday - a day that he was working all day. He worked out that he could travel from work to Chiswick, race, and then get back to work without his absence causing much attention. Unfortunately, he had not reckoned on the race being televised and he was spotted by one of his managers! Luckily Bruce did not lose his job and, no doubt made up the time and probably gained in the esteem of his colleagues. One of his roles at Cooper was a significant involvement in the initial Mini Cooper project.

In his active days and later, a characteristic of Bruce was his modesty with regard to his achievements. Clearly he was a very loyal team man. Following this he went into officiating and administration. In addition to roles he held at Walton AC, including running their successful road relays for many years, he became a committee member of the South of the Thames CC Association and was their president in 1994/1995. He also joined the Surrey County AA Committee and was our President in 1995/1996.

Bruce Judd (continued)

The vast amount of hard work done can be seen from the number of County sub-committees he was involved with:-

(a) Road - this included visiting road races in the County to check on such things as Course Marshalling, First Aid, Refreshments and checking for points of danger.

(b) Championships - as meeting secretary for the Young Athletes CC Relays, the Veterans Championships and the main CC Championships he was a key member.

(c) Coaching & Development - where he liaised with Regional and County Development Officers to provide opportunities for promising young athletes to further their goals.

One proviso for all his hard work was that there had to be at least 3 free weekends for him to go to Scotland (his roots were Scottish) to visit family and to see his favourite football team - Falkirk.

His officiating duties included being a Track Judge and a Recorder. Several people have described Bruce as unflappable. One example of this occurred at a Surrey Youth Games where he was the Chief Judge with only one assistant. A 100 Metres race had five competitors all wearing number 4! Calmly, a result was obtained by quickly writing down such features as: Blue Shorts, Long hair, Glasses etc on the result card.

In spite of the difficulties inherent with the roles he has undertaken Bruce was never derogatory about anyone. He was a high-class athlete, official and administrator. Bruce was characterised as quiet and unassuming - a person who got on with things, often in the background, not seeking any personal glory - a real gentleman. He will be greatly missed.

VACANCIES

Following the death of Bruce Judd we are seeking volunteers for the positions he held. In particular we urgently need to fill the following 2 posts for our Cross Country Championships:-

(1) Young Athletes Cross Country Relays to be held on 1st October 2006 at Stoke Park, Guildford. We need someone to take on the role of meeting organiser and to take the entries. Marking the course is undertaken by Guildford & Godalming AC. Organising officials and results stewards is undertaken by Patricia & Michael Cole, the County Officials Secretary.

(2) Main Cross Country Championships to be held on 6th January 2007 at Lloyd Park, Croydon. We need someone to take on the role of meeting manager. Organising the officials is undertaken by the County Officials Secretary. We have volunteers in place to take the entries and to produce the results.

If you are able to help or require further information then please contact Don Turner by e-mail or telephone 020 8393 8950.

DEREJE KEBEDE 1981-2006

It is with deep regret that Hercules Wimbledon Athletic Club report the death of Dereje Kebede who was a member of the winning Ethiopian team at the IAAF World half-marathon championships in Bristol in October 2001 and ran for Surrey in the UK Inter-Counties cross country championships in 2003.

His performance in Bristol where he finished 62nd in a personal best of 64:30, an improvement of almost two minutes on his previous best half-marathon time, was probably the highlight of his short and traumatic life.

Kebede's father was murdered when he was just seven and although he was in the Ethiopian police force he was subjected to considerable ill-treatment. Despite knowing that he would be leaving his family behind (his mother and sister still live in Ethiopia), Kebede decided to seek asylum in Britain.

He joined Hercules Wimbledon towards the end of 2002 and regularly raced in road running events across the country setting course records in the Leeds half-marathon and Stratford Shakespeare half marathons in 2005.

He was also a talented cross country runner, finishing runner-up in the Surrey cross country championship at Banstead in January 2003. He was selected to run in the UK Inter-Counties championship that year. He also won the South of the Thames five miles race in Richmond Park race in November 2005. Soon after that he settled in Britain he came under the care of Dr Michael Korzinski, a clinical psychiatrist at the Medical Foundation for the Victims of Torture in London. Dr Korzinski arranged for Kebede to live in various hostels around the capital.

Last year, he arranged for Kebede to spend two months training in Kenya. Unfortunately, he appears to have picked up a bug while in Africa and when he returned to London he fell ill. He was treated at University College, London where experts from the London School of Hygiene and Tropical Medicine were unable to identify what was ailing him but they did discover he was suffering from epilepsy and he was put on medication to treat his condition.

In March this year, he was granted British citizenship and his aim was to run for Britain at the Beijing Olympics. Earlier this year he moved into his own flat in Islington. It was there that he was found dead on June 5. A post mortem failed to identify the cause of death although it is thought it was related to the epileptic seizures he had been experiencing.

OFFICIALS COURSES

The new Level 1 – Assistant Officials course is now available and already four courses have been held in the County. The course is designed for those people who help at club meetings with an aim to give them a greater understanding of officiating. All those who have taken the course say they would strongly recommend it.

We would be pleased to hear from any clubs interested in holding a course.

GRADE 4

The Grade 4 Officials Instructional Courses will again be held this Autumn, one in the Camberley area end of September early October and one in the North of the county late October early November. These courses are for the individual disciplines, Starter/Marksman – Timekeeping – Track Judging – Field Judging. Full details will be available soon. These Grade IV courses will be the last ones held; in the Spring Level 2 courses will commence.

Anyone interested in taking one of the courses should contact the Officials Secretary as should any club willing to host these courses.

PRACTICAL TIMEKEEPERS TEST

A practical timekeeper's test is planned to be held at Walton AC on Sunday 22 October 2006 (date subject to confirmation). Anyone interested should contact the Officials Secretary.

Surrey Ladies Cross Country League 2006-2007

The four fixtures next season are:-

7th October - Epsom Downs (hosted by 26.2 RRC), 11th November - Lightwater (Woking AC), 13th January - Wimbledon Common (Thames H&H) and 10th February - Richmond Park, Petersham end (Ranelagh H). Start times vary and will be notified to clubs in due course.

There will be 3 races at each fixture and there is a slight change this season re the format of the races particularly so far as the younger athletes are concerned. U13s will run on their own, the U15s and U17s will be combined and U20s will now run with the Seniors and Veterans.

We have 33 Clubs at present and another has made enquiries about joining but there are still a few Clubs affiliated or based in Surrey who are not members and would be most welcome to join us.
