MIKE VARAH 1944 - 2007

Motspur Park, 21.5.1966. MIKE VARAH (2) leads from JIM JOHNSON (19). photo by Mark Shearman.

Mike Varah who died from pneumonia on April 2, aged 62, was not only a top class middle-distance runner more than four decades ago but also gained a reputation as an outstanding officer in the probation service serving for many years as chief probation officer in Surrey before stepping down early in April 2004.

He took up athletics when at Spencer Park School, Wandsworth, in 1961 when he found "I could run a bit faster than those at school with me and consequently I began training to improve and see exactly how far I could go."

He came under the coaching regime of RFR "Killer" Clarke, a master at Wandsworth School and an outstanding athletics coach with Hercules Athletic Club, particularly with pole vaulters. (At one time his pole vaulting squad under the old tilly lights at Tooting Bec included all of Britain's top pole vaulters).

While a PE student at Loughborough College, Varah was coached by Olympic 400m runner Robbie Brightwell but, after graduating from the college he once again came under Clarke's supervision.

He progressed from a modest 880 yards club runner to a notable international and his best times were 1961: 2:20.0; 1962: 2:08.2; 1963: 1:59.9; 1964: 1:55.5; 1965: 1:51.2; 1966: 1:48.5; 1967: 1:48.2. This was achieved when he finished fourth in the AAA Championships at London's White City and lifted him to ninth place on the then UK all-time list. He was at one time holder of the UK all-comers indoor 880 yards best with 1:51.4.

He also had a best 440 yards time of 49.2 (48.3 relay leg). He also had a best 1500m time of 3:49.1.

He was Surrey 880 yards champion in 1966 (1:49.6). He ran the second leg in 1:48.9 for the British team that broke the world record for 4 x 880y with 7:14.6 at Crystal Palace, London on 22 June 1966 but the record was disallowed because a false time was called out to one of the other team members. The other team members were Graeme Grant (1:49.5), Chris Carter (1:48.0) and John Boulter (1:48.2). Carter, a retired police officer, is current secretary of the South of England Athletic Association.

Varah ran in four internationals for Great Britain in 1966 and 1967 and was fourth in his heat at the 1966 Commonwealth Games in Jamaica.

He won the UAU 800 yards title at Loughborough in 1967 and the following year the South of England 880 yards title at Motspur Park.

He continued to run for the merged Hercules Wimbledon AC until he retired at the end of the 1969 season.

Hercules Wimbledon's former Surrey cross country champion Bob Holt, like Fred Green, Mike Fuller and Mike Kortenray, a contemporary of Varah's, recalled: "I have two distinct memories of Mike. One was at a training evening at Nobby Clarke's Winter Monday night circuit training at Wandsworth School. The session often ended with some sort of speed or hill work out on the roads near the school and on this particular occasion Mike had no training shoes with him, only a pair of spikes. (He had done the circuit training in either bare or stocking feet). He therefore donned a pair of thick socks over his spikes and ran on thus

attired. I don't think it did his calves much good !

"My other memory was of an episode when he and I (plus my brother Dave) were at a training camp for British "Olympic Possibles" in May 1968 at the high altitude venue at Font Romeu in the French Pyrenees. An impromptu volleyball match took place one afternoon at the indoor arena between a team of British athletes and a French athletes' team. During the match, some of the British "supporters" (primarily the college members amongst us) struck up a rendering of a very rude version of the "Marseillaise" and one of the ring leaders in this jollity was Mike Varah. The French team responded at the end by doing a collective "moonie"."

George Peter Michael Varah, who was born on October 19 1944, coincidentally like Bob Holt he was one of triplets, was the son of Chad Varah, the founder of the Samaritans and co-founder of the Eagle comic, who is still alive aged 95. Chad was an Oxford cross blue.

Mike taught at Rugby School for five years before joining the probation service. He was Chief Probation Officer for Surrey from 1988 to 2004 when he took early retirement apparently disillusioned with the restructuring of the service and its lack of resources. His decision to retire early resulted in a question being asked by South West Surrey MP Virginia Bottomley in the House of Commons who wanted the Home Secretary to look into the reasons for his early departure. She pointed out that under his leadership Surrey ranked third out of the 42 probation services in the UK. A notice in the April edition of the National Probation Service Bulletin described him as "a pioneer of the service."

Varah continued to serve the community by joining Surrey Crimestoppers and was its chairman at the time of his death. He was also Deputy Lieutenant of Surrey and High Sheriff in Nomination.

A memorial service is being held on Tuesday, May 15 at Holy Trinity Church, Guildford, starting at 3pm. His widow Sally has requested no flowers but asks that donations be made to the Michael Varah Memorial Fund c/o Gorrington and Son, 55 Hare Lane, Godalming, Surrey GU7 3EF. Tel: 01483 416403.

SURREY COUNTY ON THE INTERNET

The County web-site www.surreyathletics.org.uk has been available since 2001. It contains information which I hope is of interest to followers of athletics in Surrey. In the early days we were averaging around 6000 pages viewed per month. Currently that figure is around 30,000 viewed in 10,000 visits per month. As you might expect there are peaks shortly after our main championships as visitors look for results.

The site contains both static and dynamic pages. Static pages are those where the information is typed into the page and when you download it your browser displays what has been entered. Dynamic pages are different in that when you request to view them they are built from information stored in the databases that support the web-site at the time you make the request.

Currently all the databases contain information about performances by Surrey athletes. This includes results from the County Track & Field Championships 1991-2006 (28,690 records); Track & Field Rankings for 2001-2006 (11,674 records); performances at all the International Track & Field Championships (eg Olympics, World, European & Commonwealth) plus recent International Cross Country Championships (1132 records) and Inter-County Track & Field performances (currently being developed - 983 records). As the information held is about performances by athletes each record has a key which uniquely identifies the relevant athlete. In order to create a unique identity the key is built from the athlete's full name and their date of birth. At present there are 2338 athletes who have been identified in this way. This means that it has been possible to provide a facility for viewing the information stored for a particular athlete which is called the "Athlete Profile".

To view the profile of a particular athlete select "Athlete Profiles" from the Home Page. Click on "Search for an Athlete". This will show all those athletes whose family name starts with the letter A (For names beginning with other letters then click on the letter). If the athlete you are seeking is shown then click on the name and this will display their profile.

SENIOR MEN - Following the County Championship, four of the first six runners, entitled to be selected, by right, to represent the County accepted the invitation to do so. Four others out of the first ten indicated their wish to run. These eight, together with seven others, who had all run in the County race, down to twenty-fifth position (!) were entered. Optimism, with the consolidation of the front runners, was good for a reasonable performance.

Prior to the event, the back markers had shown excellent improvement, but sadly four of front runners had withdrawn! Phil Wicks had, to his credit, given an assurance of his intention to run in spite of having been selected for the World Cross.

The day was fine, but muddy underfoot - an unremittingly tough course. In the event the team finished a close contest in twelfth position with 574 points. Middlesex - our fiercest rivals - were eighth with 526 points. Though disappointing, it was not for the lack of determination for which the team are to be commended. *Mick Firth*

Team: 12th. Individuals: 8th Phil Wicks (Belg), 96th Ben Paviour (HHH), 101st Malachi Byansi (Belg), 115th Will Clark (E&E), 123rd Tom Jenkins (SLH), 131st Nick Hodges (DMV), 133rd Andy Weir (THH), 144th Jon Thorpe (B&B), 170th Richard Xerri (HW). 282 finishers.

U20 MEN - Following the County Championship, only nine runners made themselves available for the Inter Counties - some were too old for this competition! On the day only six runners were available. Our third scorer, on paper, was one of those not able to run. The day was fine, but very wet and muddy underfoot. The team with evident commitment finished in a commendable tenth position. They were lead home by Sam Perkins running an excellent race finishing in tenth position, only 53 secs behind the winner. *Mick Firth*
Team: 10th. Individuals: 10th Sam Perkins (Rane), 41st Johnny van Deventer (AFD), 55th John Redshaw (Walt), 107th Harry Martin (Sutt R), 130th Michael McManus (J Fisher Sch), 144th Andy Statham (Oxted Sch). 172 finishers.
