

SURREY COUNTY ATHLETIC NEWS

(Issue 72 - February 2013)

While it is the aim of this publication to report the good news about the Athletics community in Surrey there are times when I also have to report some sad news.

DEREK CROOKES 1940 - 2012

It is with great sadness that we report the death of Derek Crookes on 26 September 2012 at Epsom General Hospital. Although his last years were ones of poor health we remember Derek as a man of great vigour and enthusiasm. Derek, a member of Belgrave Harriers, became involved with many aspects of our sport not only within the County Association - a stalwart of the South of Thames Cross-Country Association and the Thameside Track & Field League for Young athletes typify the breadth of his interest. Within the County he was President of the Surrey County AAA in 1985. In addition he was General Secretary and organised our Road & Cross-Country Championships. Derek was one of the instigators of Under-13 Inter-Counties Track & Field Meeting that Surrey has hosted since 1993 - a meeting that has provided the first major competition for many young athletes including the 2012 Olympic Long Jump Champion, Greg Rutherford. In recognition of this the meeting has been renamed as "*The Derek Crookes Under 13 Inter-County Meeting*".

We also note the deaths, in October, of Chris and Fred Stebbings. Chris passed away after a short illness and then elder brother Fred died a couple of weeks later after several years of ill-health. The two brothers had their formative athletic years as members of Croydon Harriers and both were Surrey champions. They had both moved to Bedfordshire where they served both their new county and Luton United AC as administrators.

In November Terry Torpey died after a long illness. He was a senior long jump coach and a regular supporter of our County championships. In December Karen Davies (nee Marsh) passed away. Karen, as a member of Mitcham AC, won the Surrey Intermediate 1500m in 1971 setting a CBP of 4:59.4.

EUROPEAN CROSS COUNTRY CHAMPIONSHIPS, BUDAPEST, HUNGARY, 9 DECEMBER 2012

Six Surrey athletes were selected for the British team.

Emelia GORECKA (AFD) was unable to retain her title but still finished a creditable 2nd in the U20 race. Lily PARTRIDGE (AFD) was 15th in the U23 Women's race and Ian BAILEY (AFD) was 18th in the U20 Men's race. We had two representatives in the Senior Women's race where Elle BAKER (Stockport) was 18th and Emily WICKS (AFD) was 33rd. All of these also won team medals. The sixth person selected, Jonny HAY (AFD), had the misfortune to be taken ill the week before and therefore did not participate.

Combined Events Meeting 7/8th September 2013

Following the successful introduction of 4x100m relays for all age groups in last year's meeting, this year we will also include 4x200m relays. They will be scheduled as far as possible to allow competitors to take part in both the 4x100m and 4x200m relays as well as compete in the Combined Events. It is hoped that we will have an even greater entry this year and there will be medals for each member of the first three teams home in both events. The three championship steeplechase events will again be held on the Saturday at this meeting.

2012 TRACK & FIELD SEASON

Enclosed with this edition of SCAN is an analysis based upon the Surrey Ranking Lists of the performances of Surrey athletes in the Under 13 and Under 15 age groups. It is from this group of athletes that the future of our sport will be made. I believe that we need to ensure that they are encouraged to participate in a range of events and to learn the disciplines of both training and competition. The numbers of athletes achieving the Surrey standard is a measure of how successful we are.

I have performed the same analysis for the Under 17 age groups and this can viewed on the Surrey athletics website via a link from the home page.

ATHLETE PROFILES

Athlete profiles have been available on the Surrey Athletics website for several years. Until now the information shown has been of track and field performances. In the past few months I have added the results of the County Cross-Country Championships since 1974 for males and females to the database. As a consequence the profiles have been extended to show this information.

In the next few months I shall be adding features that will provide further analysis of our cross-country championships.

I should point out that profiles only exist for those athletes whose date of birth has been registered with me. If an athlete, who has participated in a Surrey Championship (Track & Field or Cross-Country) does not have a profile then this can be rectified by notifying me of their date of birth.
