

Surrey County Athletics Association Photo-Finish Hire Enquiry

Photo-Finish Equipment comprises:

- FinishLynx System
 - Full colour camera
 - Timing to 100th of a second
 - Start transducers
 - Integrated Wind gauge
 - Track side clock
 - Printed race results

SCAA will install equipment and provide at least one operator.

The organiser may need to provide additional operators, who will receive training, but should be computer literate

For evening meetings, sufficient access is required to allow for timely installation and removal.
The organiser to ensure adequate lighting on the finish line.
