

SURREY COUNTY ATHLETIC NEWS

(Issue 80 - October 2015)

This issue reflects a busy track & field season.

Once again we had mixed fortunes in the inter-county fixtures (see pages 16 - 21). Gilbert Grundy answered our pleas for a volunteer to be Senior Men's Team Manager and their success demonstrated the benefits of his efforts. Unfortunately Gilbert will not be in the UK next year so we are looking for someone to follow in his footsteps.

The performances of our top athletes at international level are shown on page 23. Rechmial Miller & Hope Sarti were our air miles winners following their trips to Colombia and Samoa. At the World Championships held in Beijing Martyn Rooney set a county record for the 400m when finishing 4th in his heat but then was unable to repeat the performance in the semi-finals. However, later in the week, Martyn had recovered sufficiently to anchor the 4x400m relay team to a bronze medal. Harry Aikines-Aryeetey ran the second leg for the 4x100m team in the heats where they qualified for the final by finishing 2nd. However, he was not included in the line-up for the final and the team failed to finish. Sally Read-Cayton and Virginia Mitchell finished 1st and 2nd in an invitation Masters 400m held at the championships.

Below you will find a listing of the county records set during the year which demonstrate the continuing improvement in the standard of our athletes:-

Over the past 6 months we have seen the passing of people who, in their different ways, have made a significant contribution to our sport.

BILL LONG

Bill passed away on 29th May 2015. Before his illness he had been a regular timekeeper at Surrey events and was a keen supporter of South London Harriers.

ROBIN DICKSON 1942 - 2015

We were saddened by the news of Robin's death on 13th June 2015 following a short illness. His last days were in Croydon University Hospital where he was visited by many of the athletes he had coached.

Robin joined Croydon Harriers in the early 1970s and represented them through to the 1990s over middle and long distances. He became first claim to Thames Hare & Hounds in 1997 and represented them in the Surrey Road Relays and the Surrey Masters Cross-Country Championships. Following his competitive career he became a successful coach and also took on the role of Team Manager for the Surrey Senior Women's Cross-Country team. Robin was a quiet and private man who let his deeds speak for themselves.

TED CHAPPELL

Ted passed away peacefully on August 15th at the age of 92 years - a great innings. Many people have reason to be grateful to Ted. He was made a Life Member of the Surrey County Athletic Association in recognition of his service to county athletes. Ted was a masseur for the British team. Athletes used to go to his home in Motpur Park where he treated them for no charge. He also had a great passion for ice hockey.

KEN BEST MBE

It was with regret that we learnt in September of the passing of Ken at the age of 91. In recognition of his services to athletics (in particular, Race Walking) he was elected President of the county association in 1979.

Before moving to Horsham, after retiring, he was, for many years, a stalwart with the Surrey Walking Club and Civil Service association. He then became a regular attender at Sussex County Championships as a track official until he reached his ninetieth birthday.

SCAN

After 16 years compiling, printing and distributing SCAN I have decided that this edition will be my last as editor. I have attempted, in the 58 editions for which I was responsible, to follow the traditions of the first series of SCANS published from 1958 to 1970.

Since the turn of the century the advances in information technology have meant that more immediate forms of communication have become available and these are now accessed by many people. I intend to continue putting news items on the County website together with a complete record of the results of County Championships and Inter-County events.

I wish to pay tribute to Peggy Burchell for her assistance with the proof-reading and with the tasks involved with the sending-out of 150+ paper copies.

COUNTY RANKINGS 2

Melanie Mason, the compiler of the rankings for the female age groups (U20/U17/U15/U13), will be unable to continue her role after this year. We extend our thanks to Mel for her efforts to produce such extensive lists. This does mean that we are seeking one or more volunteers to provide this service for 2016. If you are willing to assist then please contact Keith Burchell (E: rankings_male@surreyathletics.org.uk). At present Pete and Keith will be continuing with the senior and male age group listings and we thank them for their efforts as well.
